(a) State or imply that the Lender, or any of its Borrowers, has or will receive preferential treatment from SBA;

(b) Be false or misleading; or

(c) Make use of SBA's seal.

MISCELLANEOUS PROVISIONS

§ 120.414 SBA access to Lender files.

A Lender must allow SBA's authorized representatives, during normal business hours, access to its files to review, inspect and copy all records and documents relating to SBA guaranteed loans.

[61 FR 3235, Jan. 31, 1996. Redesignated at 64 FR 6509, Feb. 10, 1999]

§ 120.415 Suspension or revocation of eligibility to participate.

SBA may suspend or revoke the eligibility of a Lender to participate in the 7(a) program because of a violation of SBA regulations, a breach of any agreement with SBA, a change of circumstance resulting in the Lender's inability to meet operational requirements, or a failure to engage in prudent lending practices. Proceedings for such purposes will be conducted in accordance with the provisions of part 134 of this chapter. A suspension or revocation will not invalidate a guarantee previously provided by SBA.

PARTICIPATING LENDER FINANCINGS

SOURCE: Sections 120.420 through 120.428 appear at 64 FR 6507–6509, Feb. 10, 1999, unless otherwise noted.

§ 120.420 Definitions.

(a) *7(a) Loans*—All references to 7(a) loans under this subpart include loans made under section 7(a) of the Small Business Act (15 U.S.C. 631 *et seq.*) and loans made under section 502 of the Small Business Investment Act (15 U.S.C. 661 *et seq.*), both of which may be securitized under this subpart.

(b) *Bank Regulatory Agencies*—The bank regulatory agencies are the Federal Deposit Insurance Corporation, the Federal Reserve Board, the Office of the Comptroller of the Currency, and the Office of Thrift Supervision.

(c) *Benchmark Number*—The maximum number of percentage points that a securitizer's Currency Rate can decrease without triggering the PLP suspension provision set forth in § 120.425. SBA will publish the Benchmark Number in the FEDERAL REGISTER.

(d) *Currency Rate*—A securitizer's ''Currency Rate'' is the dollar balance of its 7(a) guaranteed loans that are less than 30 days past due divided by the dollar balance of its portfolio of 7(a) guaranteed loans outstanding, as calculated quarterly by SBA, excluding loans approved in SBA's current fiscal year.

(e) *Currency Rate Percentage*—The relationship between the securitizer's Currency Rate and the SBA 7(a) loan portfolio Currency Rate as calculated by dividing the securitizer's Currency Rate by the SBA 7(a) loan portfolio Currency Rate.

(f) *Good Standing*—A Lender is in ''good standing'' with SBA if it:

(1) Is in compliance with all applicable:

(i) Laws and regulations;

(ii) Policies; and

(iii) Procedures;

(2) Is in good financial condition as determined by SBA;

(3) Is not under investigation or indictment for, or has not been convicted of, or had a judgment entered against it for a felony or fraud, or charges relating to a breach of trust or violation of a law or regulation protecting the integrity of business transactions or relationships; and

(4) Does not have any officer or employee who has been under investigation or indictment for, or has been convicted of, or had a judgment entered against him for a felony or fraud, or charges relating to a breach of trust or violation of a law or regulation protecting the integrity of business transactions or relationships unless, the Securitization Committee has determined that good standing exists despite the existence of such person.

(g) *Initial Currency Rate*—The Initial Currency Rate (ICR) is the securitizer's benchmark Currency Rate. SBA will calculate the securitizer's ICR as of the end of the calendar quarter immediately prior to the first securitization

completed after April 12, 1999. This calculation will include all 7(a) loans which are outstanding and were approved in any fiscal year prior to SBA's current fiscal year. Each quarter, SBA will compare each securitizer's Currency Rate to its ICR.

(h) *Initial Currency Rate Percentage*—The Initial Currency Rate Percentage (ICRP) measures the relationship between a securitizer's Initial Currency Rate and the SBA 7(a) loan portfolio Currency Rate at the time of the first securitization after April 12, 1999. The ICRP is calculated by dividing the securitizer's Currency Rate by the SBA 7(a) loan portfolio Currency Rate. SBA will calculate the securitizer's ICRP as of the end of the calendar quarter immediately prior to the first securitization completed after April 12, 1999.

(i) *Loss Rate*—A securitizer's ''loss rate,'' as calculated by SBA, is the aggregate principal amount of the securitizer's 7(a) loans determined uncollectable by SBA for the most recent 10-year period, excluding SBA's current fiscal year activity, divided by the aggregate original principal amount of 7(a) loans disbursed by the securitizer during that period.

(j) *Nondepository Institution*—A ''nondepository institution'' is a Small Business Lending Company (''SBLC'') regulated by SBA or a Business and Industrial Development Company (''BIDCO'') or other nondepository institution participating in SBA's 7(a) program.

(k) *Securitization*—A ''securitization'' is the pooling and sale of the unguaranteed portion of SBA guaranteed loans to a trust, special purpose vehicle, or other mechanism, and the issuance of securities backed by those loans to investors in either a private placement or public offering.

§ 120.421 Which Lenders may securitize?

All SBA participating Lenders may securitize subject to SBA's approval.

§ 120.422 Are all securitizations subject to this subpart?

All securitizations are subject to this subpart. Until additional regulations are promulgated, SBA will consider securitizations involving multiple Lenders on a case by case basis, using the conditions in § 120.425 as a starting point. SBA will consider securitizations by affiliates as single Lender securitizations for purposes of this subpart.

§ 120.423 Which 7(a) loans may a Lender securitize?

A Lender may only securitize 7(a) loans that will be fully disbursed within 90 days of the securitization's closing date. If the amount of a fully disbursed loan increases after a securitization settles, the Lender must retain the increased amount.

§ 120.424 What are the basic conditions a Lender must meet to securitize?

To securitize, a Lender must:

(a) Be in good standing as determined by the Associate Administrator for Financial Assistance (AA/FA);

(b) Use a securitization structure which is satisfactory to SBA;

(c) Use documents acceptable to SBA, including SBA's model multi-party agreement, as amended from time to time;

(d) Obtain SBA's written consent, which it may withhold in its sole discretion, prior to executing a commitment to securitize; and

(e) Cause the original notes to be stored at the FTA, as defined in § 120.600, and other loan documents to be stored with a party approved by SBA.

§ 120.425 What are the minimum elements that SBA will require before consenting to a securitization?

A securitizer must comply with the following three conditions:

(a) Capital Requirement—All securitizers must be considered to be ''well capitalized'' by their regulator. SBA will consider a depository institution to be in compliance with this section if it meets the definition of ''well capitalized'' used by its bank regulator. SBA's capital requirement does not change the requirements that banks already meet. For nondepository institutions, SBA, as the regulator, will consider a non-depository institution to be ''well capitalized'' if it maintains a minimum unencumbered paid
